

The ECC (Employee Campaign Coordinator) whose company or office goes the highest percentage over their pre-determined campaign goal will receive **\$75 worth of gas.**

GREAT REWARD for those who are doing the bulk of the United Way campaign work in their company or office.

Goals set for each company or office will be based on the actual money raised last year in their respective company/office plus a 10% increase.

The increase can be achieved through employee giving or special extra fund raisers put on by the employees.
